Membership For the year 2012 - 2013

Build up a solid platform for constructive communication to propagate Chu Shong Tin Ving Chun

Apply Now !

How to Apply

The 2012-2013 CSTAlumni Membership is now officially open for application. It carries on the mission of linking up people of the lineage of Chu Shong Tin in a systematic way – continually collating contact information, encouraging interactive dialogues, and exchanging the most up-to-date news – so as to, in the long run, establish a solid platform for constructive communication to propagate Chu Shong Tin Wing Chun in joint effort.

Period

The 2012-2013 Membership spans two full calendar years: from 1 January 2012 to 31 December 2013.

Such change, from annual to biennial, will give more room for engaging our members in various interactions and activities throughout one membership cycle.

Applicants can send in applications at any time of the first year (i.e. 2012). However, both the membership fee and the expiry of membership remain unchanged.

Pre-requisites

1. Applicants must be of the Chu's lineage; the students of the CSTAlumni classes are accordingly eligible;
2. Applications must be endorsed by accepted recommenders (*exceptional cases are only allowed with approval by the Board*);
3. Applicants should be able to satisfactorily perform Tiny Idea (Siu Nim Tau) in the style of Chu's Wing Chun.

Member Rights

The membership represents that the member has been officially confirmed by CSTAlumni as belonging to the Chu's lineage.

1. The membership does not include voting right.
2. Members are welcomed to put forward suggestions on propagating Chu's Wing Chun, and participate in organising activities for such purpose.

Member Benefits

1. *Membership Confirmation Letter, Membership Card and Membership Directory on Web:*
Once accepted, the applicant will be issued with a *Membership Confirmation Letter* and a *Membership Card*. His/Her name will also be published in the *Membership Directory* on the CSTAlumni website.
2. *CSTAlumni Facebook Group:*
Members who have facebook accounts can join CSTAlumni Facebook Group exclusive for members only. Apart from updated news and information, members can participate in discussions in the community.
3. *Products:*
Products relating to Chu's Wing Chun, including *The Book of Wing Chun* volumes, will be made available for purchase. Members are entitled to special discounts.
4. *CSTAlumni Wing Chun Classes:*
CSTAlumni runs weekly local Wing Chun classes (long-term). Overseas members who are interested to join for a short period are entitled to a member discount upon the overseas price.

Biennial Membership Fee: HK\$350

Recommenders

It is a crucial procedure to verify whether an applicant belongs to the Chu's lineage. Except those directly identifiable by CSTAlumni, applications are in general required to obtain signatures from accepted recommenders as endorsements, without which the applications would not be processed. The list of accepted Recommenders can be viewed at <http://cstalumni.hk>.

Documents to Submit

1. A completed application form, signed by an accepted recommender;
2. A recent photo of the applicant, sized at 40mm x 50mm, preferably in electronic format (jpg).
3. Membership fee payment, by Cheque for local, by Cashier Order for overseas (*see note 1 below*), or by Paypal (*also accept credit card; add HK\$17 handling fee, i.e. HK\$367 in total*) for both.

How to Submit (for Overseas) *(note 1)*

1. Post the completed application form, the recent photo (*or send electronic file*), and the Cashier Order to the CSTAlumni's address; **or**
2. Post the completed application form, the recent photo (*or send electronic file*) and indicate payment by Paypal; payment notice will then be sent to you via email.

(note 1): Payments must be in exact HK\$ amounts finally received by CSTAlumni: payment by Paypal will be added with HK\$17 handling charge; Cashier Orders should be drawn on the Hong Kong branches of the drawee banks; CSTAlumni will not bear any cost incurred in bank handling processes and in currency exchanges; inadequate payments might affect the processing of applications.

Once accepted, the applicant will be:

1. *Issued with the Membership Confirmation Letter and Membership Card*
2. *Included in the Membership Directory on Web 2012-2013*
3. *Admitted to CSTAlumni Facebook Group exclusive for members only*
